PAYING YOUR PLAN PREMIUM

If you enroll in a zero premium plan and it is determined that you owe a late enrollment penalty, (or if you currently have a late enrollment penalty), we need to know how you would prefer to pay it. You can choose to pay by automatic deduction from your Social Security (SSA) or Railroad Retirement Board (RRB) benefit check, Electronic Funds Transfer (EFT) from your bank, [credit card, debit card or online check via a secure website, or check via mail. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by SSA. You will be responsible for paying this extra amount in addition to your monthly charges. You will either have the amount withheld from your SSA benefit check or be billed directly by Medicare or the RRB. DO NOT pay Essence Healthcare the Part D-IRMAA.

If you enroll in a plan with a premium (including any late enrollment penalty that you currently have or may owe) you can pay your monthly plan premium by mail, Electronic Funds Transfer (EFT), or credit card each month. You can

also choose to pay by automatic deduction from your Social Security (SSA) or Railroad Retirement Board (RRB) benefit check each month. If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or RRB. DO NOT pay Essence Healthcare the Part D-IRMAA.

People with limited incomes may qualify for extra help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this extra help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for extra help online at www.socialsecurity.gov/prescriptionhelp. If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

Please select a premium payment option If you don't select a payment option, you will get a bill each month.

- Automatic deduction from your monthly Social Security (SSA) benefit check.
- Automatic deduction from your monthly Railroad Retirement Board (RRB) benefit check.

The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

- Electronic Funds Transfer (EFT) from your bank account each month.

Deduction will occur on the 9th day of the month. If the 9th day of the month falls on a non-business day, deduction will occur the following business day. If your EFT rejects two months in a row, your payment option will be changed to Direct Pay and you will begin receiving invoices

- Credit Card. Your monthly invoice will provide information regarding how to establish a secure on-line account to make credit card payments.
- Get a Monthly Bill and pay by Check or Credit Card.
